

Dear Erasmus+ coordinator,

we are upper secondary vocational school for gastronomy and tourism from Celje, Slovenia. We would like to promote the incoming mobility in Slovenia by hosting students and staff within Erasmus + KA1 in the field of hospitality and tourism. Therefore we are looking for new partners interested in sending their students and/or staff to Slovenia. We will do our best to make their mobility an unforgettable professional and personal experience.

Attached please find our partner form - we were very happy to be able to add another important reference this year - the Erasmus+ Mobility Charter in VET, awarded to our school in 2015.

We will be pleased to provide you with further information on request such as: the list of our host companies (hotels, restaurants, travel agencies etc.), descriptions of the work places available, options for cultural and linguistic preparation during the mobility etc. Please feel free to contact me by phone (+386 41 684 632) or e-mail (darja.stiherl@sstgt.si).

Our International office team is looking forward to our future cooperation.

Best regards
